PD/0047/25 Clerk's Update.

PD/0048/25 County Councillors Report

None supplied

PD/0049/25 Planning

No new applications. The council discussed a supplied plan relating to the new electricity route from Penybont Common to the development of Pickstock Homes.

PD/0050/25 Community Issues Raised or Ongoing

- *Capability of Penybont Sewage Works with new housing estate.*

The Clerk supplied a copy of the letter to Dwr Cymru, but despite several attempts, no reply has yet been received.

A linked letter to Powys Planning was replied to and indicated that from records date 18 years ago, that no formal Section 106 agreement had been made, acknowledging that it was at odds with letters on record.

- *A44 speed restrictions and school bus routes stopping, a danger to children.*

The council considered the response from Powys County Council. The council will now await the review being undertaken of 'local speed limits' with the Welsh Assembly and Powys County Council. However, the reply relating to the dropping off children on the roadside (no pavement) **'Once the child has alighted from the bus, they become the responsibility of the parents/guardian,'** was not acceptable to members. The FOI (Freedom of Information) request relating to this point and the safety assessment, failed to answer the issue. Clerk to make a new FOI covering specific points.

- Defibrillator at Llandegley. Cllrs J Lawrance updated the council that a full service is about to be undertaken, and a reserve machine will be available in the meantime.

PD/0051/25 One Voice Wales

- No published minutes.

Dear Clerk

Invitation to support Llandrindod Wells & Area Twinning Association

We are contacting all Community Councils in the Llandrindod Wells Area to seek financial support for Llandrindod Wells and Area Twinning Association in the coming 2026/27 financial year.

Your members may be familiar with the activities of the Association over the past 30 years. We signed a twinning charter with the small spa town of Contrexéville, France in 1992. It is in a region of low mountains called the Vosges, a rural area which shares many features with Radnorshire. It has a lively community with a thriving arts and recreation centre. Contrexéville was itself twinned with the German spa town of Bad Rappenau, near Heidelberg and in 2001 a formal twinning charter was signed between Llandrindod Wells and Bad Rappenau.

Over the years we have organised many twinning exchanges between our three communities. We are proud of the many youth visits, particularly by school children, that have given opportunities for the young people to learn about each other's culture.

The Association draws its support from volunteers in a wide area around Llandrindod Wells who host visitors from our twin communities. We rely on financial support granted from Llandrindod Wells Town Council as well as fundraising activities organised by members of the Committee. Membership of the Association is automatically given to anyone named on the Register of Electors for Llandrindod Wells and the other Community Councils in the area.

In view of the benefits enjoyed by families living in adjoining communities that are outside the boundaries of Llandrindod Wells Town Council area it was felt we should

approach each Community Council to seek support. Information about the Twinning Association can be found on our website <http://llandrindodtwinning.wordpress.com/> .

We hope your Community Council will give favourable consideration to our request for financial support in the coming 2026/27 financial year. A contribution from each of the Community Councils surrounding Llandrindod Wells would give comfort to the Association that it is supported in its strategy to enable groups and families from not only the Town but also the surrounding Communities to benefit from twinning activities.

We look forward to hearing from you.

Yours faithfully

Mark Rolinson
